

WISCAP

Wisconsin's Poverty Fighting Network

ABOUT WISCAP

The Wisconsin Community Action Program Association (WISCAP) is a statewide network of sixteen Community Action Agencies (CAA) and two special purpose agencies. Incorporated in 1974, WISCAP traces its origins to the historic "War on Poverty" and has throughout its history advocated for community-informed policies and greater resource mobilization for its member agencies and the people they serve.

The national network of community action – which includes over 1,000 community action agencies – reaches 99% of America's counties. WISCAP is one of 49 state associations and a member of the National Community Action Partnership. The work of community action is also served by additional partners including National Community Action Foundation (NCAF), National Association for State Community Services Programs (NASCSPP) and CAPLAW.

Current WISCAP programs include:

- Housing
- Take Root® Wisconsin
- Economic Renewal
- Food Security
- Health
- Training & Technical Assistance
