

ACTION ALERT

The Wisconsin Opportunity Act

Your action is needed in the Wisconsin Legislature:

Call your State Representatives and Senator and urge them to co-sponsor the Wisconsin Opportunity Act (SB 467/AB 508)

- Describe how poverty impacts your area and what your community is doing to address it;
- Explain how WOA would provide meaningful policies and investments to reduce poverty and fundamentally improve people's economic circumstances;
- Relay that WOA is the result of extensive consultation with stakeholders and local communities and features fundamentally sound practices for improving the lives of low and moderate-income households across the state, in rural and urban areas alike.

If they would like to be added as a co-sponsor, please have your Representatives and Senator contact Rep. Subeck's office at 266-7521.

Your State Representatives and Senators contact information can be found here: <https://legis.wisconsin.gov/>

You can also register your support of WOA by calling the Wisconsin Legislative Hotline, Toll-Free (800) 362-9472.
